Page 1 of 2

I, _____ would like to be placed on the Heritage Suites Senior Living deposit list. I have enclosed a cheque/cash in the amount of \$ 500.00 (kept in trust) securing my position as a Priority Reservation Member. This gives me the opportunity to select the suite of my choice at Heritage Suites Senior Living.

I have read and understand the terms of the Priority Reservation Agreement listed below:

1. Should the Priority Reservation Member choose not to move into Heritage Suites Senior Living, the reservation deposit will be fully refundable.
2. Priority Reservation Members will be promised the suite of their choice. If at the time of move in they wish to change to a different suite, they may, on availability.
3. Priority Reservation Members must take possession of their suite within two months of Heritage Suites opening, or their suite will be made available for others to select. Those Members not wishing to move in right away, will be placed on the community waitlist and still have the right to choose accommodation as they come available.
4. Once a Priority Reservation Member moves into their suite, the \$500.00 reservation deposit will be applied to Heritage Suites and be bound by the terms and conditions as outlined in the lease agreement signed upon move-in.
5. Priority Reservation Members must meet Heritage Suites Senior Living criteria as outlined in the lease agreement to be eligible for move-in. Those who do not meet the criteria will be refunded their reservation deposit.
